Cinderella

Director's Note

Cinderella was first performed at the Drury Lane Theatre in January 1804. Since that date it has proved to be the most popular pantomime overall. The story of Cinderella is a combination of French folk tales written by Charles Perrault and the Brothers Grimm in the 19th Century.

On behalf of the Peacehaven Players, it is my privilege to welcome you to our production of "Cinderella". This is our third production since our conception in January 1998. We have gone from strength to strength with a membership of nearly ninety and we are still growing.

During this past year the Players have worked extremely hard and I am thrilled with what they have achieved in such a short time.

I am proud of all the members, they work as a team and it is this team spirit, plus lots of enthusiasm, dedication and hard work which enables them to give you, our audience, the level of entertainment you deserve.

A handwritten signature in black ink, which appears to read "Van der Hoff".
