Peacehaven Players

Peacehaven Players are a friendly and supportive group and although we work hard, rehearsing on Tuesday and Thursday evenings, a good time is had by all. So if you are 16 or over and the idea of "treading the boards" appeals **why not join us?** If you don't want to act there is plenty to do backstage - making scenery, arranging lighting and sound or working 'front of house'

OR BE A PATRON

If you enjoy our shows and would like to become a part of *Peacehaven Players* but don't want to be an active member why not be a Patron? Among other things this gives you concessions on tickets and a regular newsletter to keep you informed about forthcoming events. For an application form or more details please speak to one of our members in the foyer or phone Cathy - 01273 583105.

We would like to thank every one who has helped us with this production and send a special big **THANK YOU** to you, our very supportive audience

Oliver!

Lionel Bart brought "Oliver!" to the London stage in 1960. Although it was not warmly received by the critics the audiences loved it, in fact they had 23 curtain calls on opening night and it ran for 2618 performances!

Bart created a thoroughly enjoyable show and remained faithful to the wonderful Dickensian characters: Oliver and Mr Brownlow showing the best side of human nature while Bill Sykes shows us the worst. However he has softened Fagin's character, making him a lovable rogue, giving the show much of it's humour.

So now let's accompany young Oliver Twist on his journey from the workhouse through the harsh streets of London and on to the loving home he could only dream of.

We hope you enjoy the show and "Consider Yourself One Of Us"
