ABOUT PEACEHAVEN PLAYERS

Peacehaven Players was founded in 1997 in response to demands for a local musical theatre company. A talented, friendly and hardworking group, Peacehaven Players has since produced a series of demanding but always enjoyable productions. We aim to perform two shows a year, a major summer production and a pantomime. We are an open company and new members do not audition to join. Everyone is welcome to perform or work backstage on scenery or costumes – the more the merrier.

Our shows are performed at the Meridian Centre where we also rehearse and our thanks go out to the management and staff for their support over the years.

If you would like to be kept informed about our future shows or would like to join the company please complete the flyer placed on your seat and drop it in the box by the main entrance.

Our website www.peacehavenplayers.btik.com can be visited for additional details.

We would like to offer warm thanks to all those local businesses for their support by placing advertisements in the programme and of course a special big thank you to you, our very supportive audience.

and last but by no means least

We hope you enjoy the show!

DIRECTOR'S NOTES

Once again it's panto time and this year we are in nursery rhyme land.

Attrocia the witch wants to rule the kingdom but along comes

Little Bo-Peep and her magic sheet to stop her.

Of course there is always much more than that in our panto's .

A boat trip, a faraway island and lots of other people – good and bad.

So just sit back, boo the baddies and cheer for the goodies.

We hope you enjoy the show.

It takes a great team to put a good show together and so my thanks go to Wendy, Jason, Mandie, Sandra, to lights, sound, costumes, back stage, front of house and to the whole cast for their help in putting on this fun show.

LITTLE BO-PEEP - THE PLOT

To protect Nursery-Rhyme Land from all evil, the Fairy has presented the kindly but scatterbrained King & Queen with a flock of magic sheep. With Bo-Peep to take care of them, peace and happiness are therefore guaranteed. Attrocia, the witch, has other ideas, and with the aid of the villainous Mayor and his dim-witted bailiffs, kidnaps the sheep and carries them off to the other side of the world. Only the valliant Jack Horner can restore harmony, and with his madcap mother, and her equally zany boyfriend Simon, they set off to find the missing sheep.

*Little Bo-Peep has lost her sheep
What a careless girl...
And doesn't know where to find them
Stupid too...
Leave them alone & they'll come home
And no sense of responsibility
Bringing their tails behind them
So where else would they have a tail?*

House moving can be stressful,
but we won't turn it into a pantomime.... *Oh no we won't!*

There's a tiny house
By a tiny stream
Where a lovely lass
Had a lovely dream
And her dream came true
Quite unexpectedly.

She was out one day
Where the tulips grow
When a handsome lad
Stopped to say hello
And before she knew
He kissed her tenderly
