# Directors Notes

Welcome to Cinderella, a traditional pantomime to get you in the Christmas spirit. I've thoroughly enjoyed directing this particular pantomime as it's fast paced, funny and full of songs.

I couldn't have done it without the support of the whole group, but I do have to individually thank Michelle Roman and Nasim Chillcott who took over the scenery making at short notice and managed that and their own parts during rehearsals. Thank you to Sam Tugwell for all the work you have tirelessly done on the scenery week after week, and your helpers Sue Foster and Francesca Tugwell.

Thank you to Wendy Clare for making the beautifully garish outfits for the two ugly sisters plus numerous other items she has concocted for us.

Thanks go to Georgie Bancroft for taking on costume organisation and so much more, too many to list! And thank you Lynn Enever for props.

We have some wonderful choreography thanks to Georgie Bancroft, Becca Huggett, Nasim Chillcott and Michelle Roman.

I am delighted that the Bond School of Dance will be joining us and performing four exquisitely choreographed dances. My thanks to Nikki Bond for all her amazing choreography and for providing costumes, it's been a pleasure to work with you again.

I would also like to thank Lynne Holman for running front of house and Sue Highsted and Christine Twibill for prompting.

Lastly, my thanks to you, our audience, for supporting us and coming to see our shows, it just wouldn't be the same without you! So sit back, smile, laugh, tap your feet and enjoy our pantomime.

Best wishes

Judith Foot

Director

So, Cinderella, she got the fella  
You knew that, there's no spoiler there

But what next, you say, how did they fare?

They did well, they found a place just down by the Dell  
Yes! Despite the madness of stamp duty!  
You see, Prinnie had a lot of booty!

They used LAWSON LEWIS for the legals  
(A great firm full of legal eagles)  
In fact, they found LLB so brill  
They cleverly got on and made their Will.

But what of sisters Horrid and Mean?  
They got married (to lads from East Dean)  
But as you might guess, they weren't happy,  
They continued to be mean and snappy,  
Nothing was ever good enough and  
For a few years, it was really tough.

So the lads asked Jeremy for his advice  
He did their divorces at a very fair price.  
You'll be glad to know they had no sprogs  
And the sisters are left just kissing frogs

(yes, we know, a different tale!)

Whatever your needs are throughout your life...  
...moving home or marital strife,  
Call LLB who will guide you through  
And help turn your grey skies blue.
