Director's Notes

Welcome to Snow White and Friends, my first venture into the world of pantomime writing. Unlike the other four Summer shows I've written, anything is possible in pantomime and the story can take you into magical realms.

Whilst loosely following the original Snow White storyline, I set out to create a whole new group of characters who would each have their own personalities. I also wanted to deviate from the original story and add a new twist to keep you all enthralled. It took 9 months to write the script and I am very happy with the end result.

As Director, I have watched my story come to life and cannot thank the cast enough for allowing me to mould them into the characters I imagined they could become.

My thanks must go to Georgie Bancroft as my Assistant Director and right hand woman, my choreographers who have designed some lovely dances; Georgie Bancroft, Nasim Chillcott and Ian Sander-Cawley, to Wendy Clare for creating the majority of the stunning costumes you will see tonight, and to the props team led by Nasim Chillcott, look out for the magic mirror!

We are also incredibly fortunate to have the Bond School of Dancing appearing with us again, and my thanks to Nikki Bond for choreographing and teaching the charming dances you will see her dancers perform and also for supplying costumes.

And lastly thank you to you, our fun loving and supportive audience who come back year after year to enjoy our Christmas pantomime. We couldn't do it without you!

So sit back, laugh, cry, boo and cheer until this panto ends, 'cause you're about to be entertained by Snow White and her lovely friends!

Best wishes

Judith Foot (Director)

About Peacehaven Players

Peacehaven Players are a musical theatre group who stage two shows a year, one in the summer and a pantomime in the winter. We are an open company and new members are always welcome to join us without the need to audition.

Not an actor? We still want to hear from you. Peacehaven Players offers something for everyone, from working backstage to front of house, painting scenery, props, making costumes, or even just general help, there's always something for you to get involved in.

Our main aim at Peacehaven Players is, of course, to have fun. It's of utmost importance that we enjoy what we do, but it's not all about the acting. There's a great social side to being a member of the Players. We attend the Telscombe and Peacehaven Fayres on alternate years. We also hold an informal dinner in January and September each year at various restaurants in Seaford and Brighton.
